

Planning a Deck Project Soon?

The City of Maple Grove Building Department is hosting its annual **FREE** deck seminar. Two dates are planned for this spring. (Please note you only need to attend one session.)

Wednesday, May 8th, 6:30 p.m.-9:00 p.m.

Saturday, May 11th, 8:30 a.m. – 11:00 a.m.

Each seminar will cover construction techniques, code requirements and related ordinance requirements. This course is designed to cover all basic information needed to design and construct a deck, and time will be allowed for a question / answer session as well.

Both seminars will be held in the Emergency Operations Center at the Maple Grove Government Center, 12800 Arbor Lakes Parkway. We would ask that if you plan to attend one of these seminars; you contact the Building Department to register and reserve your spot. The number to call is: 763-494-6060.

So, if a deck is on your spring/summer “to do” list, make sure to come to one of these free, informative seminars.

Keep your eye on the City website: www.ci.maple-grove.mn.us for any additional information.
